

Errata

With considerable dismay, I have found mistakes in the Biblical text in *The Psalms illuminated*, which need correcting as shown below:

13 subhead second line should read:

A Psalm of David

23 subhead should read:

A Psalm of David

24 subhead should read:

A Psalm of David

27 subhead should read:

Of David

28 subhead should read

Of David

39 sixth line in second column should begin *for*:

for it is you who have done it

My heartfelt apologies,

Fiona Pfennigwerth
